Insights and inspiration about
community-led housing
from specialist support agencies

Community-led housing (CLH) is a growing movement where local people can take action to address their own housing needs and those of their communities.

Join us for a packed programme of insights and inspiration about community-led housing and how to get started.

We will hear from successful groups and specialist support agencies including:

The Kent Community Housing Hub
The Community Land Trust Network
Cannock Mill Cohousing
Rosa Bridge Co-op
Bunker Housing Co-op
Hook Norton Community Land Trust
Confederation of Cooperative Housing
Funding for All

There will be numerous networking opportunities. Meet new CLH groups and successful groups and find out lots of information from related businesses and organisations.

Do not miss this opportunity to learn more about how you and your community can directly influence housing for future generations!
